CHRIST; STILL THE HOPE OF THE WORLD

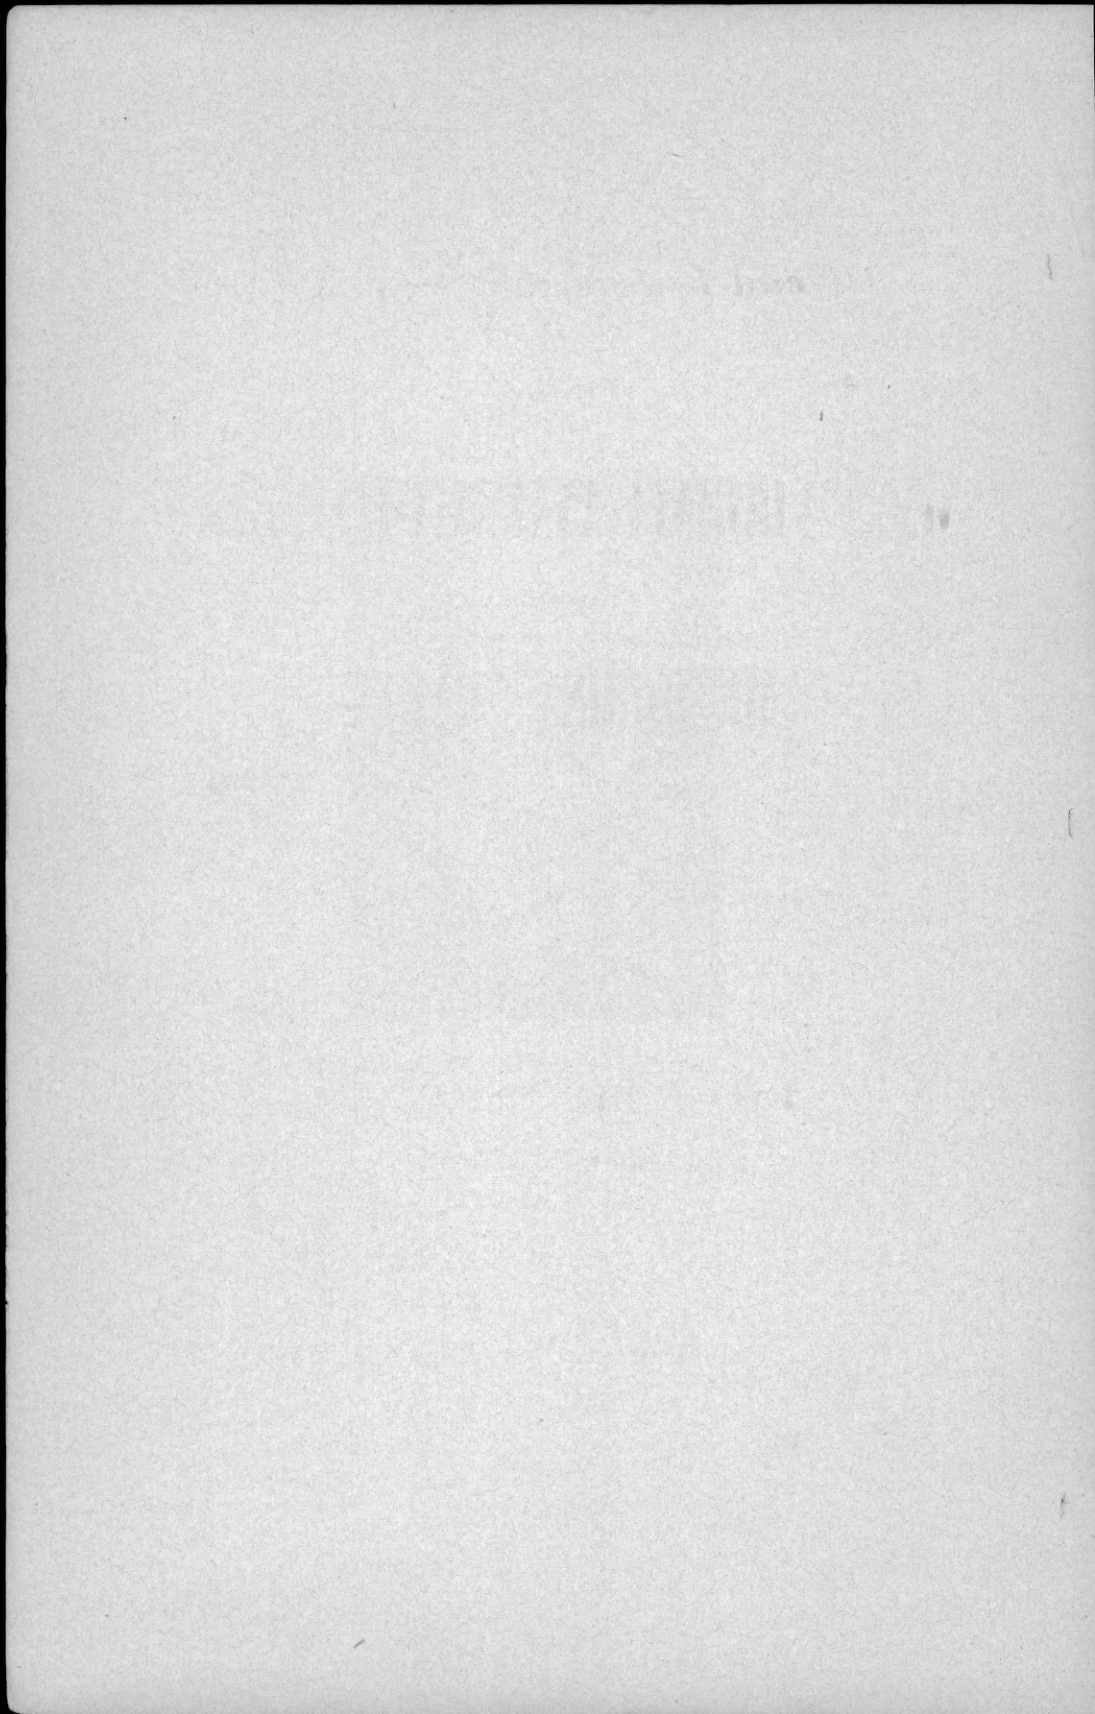

"Both the present and the future are heavy with responsibility. From such colleges as this there must be ready a great group of trained and consecrated youth for the reconstruction. Like our fighting armies, they must go to the ends of the earth. Soldier police will be needed, but as much will be required, the engineer, the teacher, the doctor, the journalist, the preacher, the artist. To do the greatest good all such should be devout, Christian men and women. The world will need people who have found something and have learned how to reproduce what they have found. In a world broken deeply, and in our own beloved land we are privileged to continue the task. We do well then to congratulate ourselves on being given such a service to be accomplished together. In the words of St. Simon: 'We have great things to do.' "

Quotation from President Joseph Warren Broyles' inaugural address, November 19, 1942.

BISHOP JAMES H. STRAUGHN

Appointed

I am appointed!
 To oversee the program of a "charge"?
 To gather certain data, sums, and such?
 To coddle grumpy souls and crying babes?
 And answer certain questions now and then?
 Is that my task?

I am appointed!
 By one who bears the name Episcopal
 Who, after many moves and counter moves
 Of men, like pawns, upon a checkerboard
 By those who know the "points" of man and place;
 Says, "You go there."

I am appointed!
 But if I so conceive my given task,
 As "this" and "that" of humdrum routine things,
 By "thus" and "so" of counter moves of men;
 I lose the drive and sustenance divine,
 Which lost leaves naught.

I am appointed!
 By Him who fashioned of His own good will
 A race of men to fellowship with God.
 By Him, who self-appointed, love-compelled,
 Poured out His love in blood-red sacrifice
 To show my task.

I am appointed!
 To live with men and love them as did He;
 Whose life was an appointment made in heaven,
 To take His light of life and love divine,
 Transmute them into human form and pass
 To needy souls.

—Arthur Lazenby.

The Preacher

I sing the Preacher!
 He, of all God's world, it is who can
 Scale the heavenly heights and grasp "the Fire
 That burns and hold its light" for man.

A human vessel,
 Placed in vital contact with that "Fire
 That burns," and so made pure and clean,
 He passes on, untainted, God's desire.

A soul like Luther:
 Not afraid to stand unflinching, sole
 Defender of the faith 'gainst wrong,
 Enthroned with triple crown and brodered stole.

A winged beacon!
 Here today, tomorrow farther on!
 A watchman standing on the watchman's tower!
 A human friend, yet likest God's own Son!

A prophet he! born
 Not of flesh and blood, but of God's word!
 A pourer forth of that which he receives,
 The greatest Word of Life man ever heard.

High Ambassador!
 Representing well, 'mid sinful strife,
 His King divine; and pouring, as his Lord,
 His love's full cup, dies into endless life.

I sing the Preacher!
 He can find soul wings in one too low
 For upward look and bid him rise a man,
 Upspringing to the God whom he may know.
 —Arthur Lazenby.

Retrospect

If I have lightened heavy loads
 That pressed with sorest pain and chafe
 Upon the hearts of God's own folk,
 My day has been worth while.

If I have brought one ray of light
 To darkened souls that grope
 Along life's dim and winding paths,
 My task has reached its goal.

If I have turned the thoughts of men
 From sordid, low-lived, hurtful ways,
 To Life Abundant in the Word,
 My work has been repaid.

If I have lived and talked and wrought,
 So sin-sick Souls and Broken Hearts
 Have felt the healing touch of Christ,
 My life-work has its crown.

—Arthur Lazenby.

VI. REPORTS

REPORT OF THE BOARD OF ADMINISTRATION
OF THE SUSTENTATION FUND

Your Board is pleased to report that collections for Sustentation have improved. We began this year with approximately \$12,000 as compared with \$8,000 last year. Also we are happy to observe that a larger proportion of the pastors have paid into this fund according to the requirements of the law. While this is true, we feel that each District Superintendent should make it his duty to check on this item as on all other ministerial items. Due to this increase your Board hopes to pay a bonus not to exceed \$50 for each claimant next year.

According to a joint resolution appearing before this Conference which comes from the Board of Missions and this Board, we contemplate a merger with the Board of Missions. In view of this contemplated merger and the increased income, the Board of Sustentation has requested one per cent of our income to be transferred to the income of the Board of Missions. This Board has also refunded to the Board of Missions \$1,650 of certain funds which that Board placed at our disposal a year ago.

Your Board of Administration of the Sustentation Fund proposes the following plan of Sustentation under Paragraphs 810-813 of the 1940 *Discipline*.

BE IT RESOLVED:

1. That the West Virginia Annual Conference of The Methodist Church establish minimum salaries in two categories: (1) Traveling preachers of our Conference in the Full Connection. (2) Preachers on Trial and Accepted Supplies.

2. That the minimum salary for the first category be \$750 and for the second category \$600.

3. That the Conference raise a Sustentation Fund by (1) apportionments to the pastoral charges consisting of one per cent of their apportionments for the pastor's cash salary and (2) by an equitable apportionment of one per cent "on that part of the salaries of all Effective Ministerial Members" of the Conference "above the minimum salary fixed." And the Commission of World Service and Finance shall allot that percentage of the Conference Benevolences which shall be necessary to reach the minimum.

4. That the above sections be modified by the following provisions: (1) No beneficiary of the plan may receive more than \$300 per year, except that (in order to encourage all charges eventually to become self-supporting) in the case of pastors who receive a total of \$500 as salary the Sustentation Fund may, when able, add one dollar to each to additional dollars which the charge pays until the minimum is reached. (2) The pastor of no charge lowering the pastor's salary in any year shall be eligible for aid from the Sustentation Fund the succeeding year, unless the Board of Administration of the Sustentation Fund be convinced on written representation of the District Superintendent that an exception should be made. (3) Pastors of charges failing to pay as much or more on ministerial support or as much or more on benevolent acceptance as was paid the previous year shall not be eligible for aid in

the succeeding year, unless the Board of Administration of the Sustentation Fund be convinced on written representation of the District Superintendent that an exception should be made. (4) No one shall become a claimant on this Fund who has other equal means of support except such as may be furnished by the Board of Missions and Church Extension and the Board of Administration shall be informed in writing of such cases by the District Superintendent. (5) That disbursements to claimants shall be made at the end of each quarter. (6) That the District Superintendents be urged to hasten all practicable consolidations of churches within charges in order to make possible the independent payment of the minimum salary adopted. (7) That this fund shall be made the same as an item of ministerial support and the District Superintendents shall be charged with responsibility for supervising the collection of the prescribed percentage along with all other such items. (8) Remittances shall be made to the Conference Treasurer on the authorization of the Board of Administration. (9) That the Annual Conference Board of Administration of the Sustentation Fund be set up. This Board shall be nominated, quadrennially, by the Cabinet and elected by the Conference, and shall consist of five clerical and three lay members and shall adopt their own rules of procedure so long as they are in harmony with this total plan.

REPORT OF THE BOARD OF CONFERENCE CLAIMANTS

The Board of Conference Claimants of the West Virginia Annual Conference presents the following recommendations for adoption:

1. That the annuity rate for the Conference year 1942-43 be fifteen dollars per approved year of service.

2. That the date of quarterly payments to Conference Claimants shall continue: October 1, January 1, April 1, and July 1.

3. That the District Superintendents be requested to provide an opportunity for the presentation of the Conference Claimants' cause at the District Conferences by a representative provided by the Board of Conference Claimants.

4. That the claim of W. E. Anderson for twenty and one-half years of service in the West Virginia Conference be disallowed for the year 1942-43, on account of the fact that he is serving as a supply in the New England Conference with a substantial salary and parsonage, but that his claim for eight and one-half years in the New England Conference be paid, as funds are provided by the New England Conference through the Clearing House. That in case he cease to serve a charge as above stated, at the next session of the New England Conference, the Chairman and Secretary of this Board be and are hereby authorized to arrange his annuity for the remainder of the Conference year, upon receipt of proper proof of such cessation of service.

5. That the annuity of Basil Hodge be held in abeyance pending investigation and determination of his correct years of service. Upon receipt of proof of the correct years of service, that the Chairman and Secretary of this Board be authorized to certify his correct service record to the Board of Pensions and arrange for payment of his annuity.

6. That no annuity be allowed Z. C. Adkins pending an investigation of his claim for an annuity. That if and when the validity of his claim be established, the Chairman and Secretary be authorized to adjust his annuity.

7. That the annuity of Harry C. Rush be disallowed for the reason that he failed to provide the required medical certificate of disability.

We respectfully call the attention of the Conference to the standing

REPORT No. 2

Reorganization of Board of Trustees of West Virginia Wesleyan College

In order to provide for the expected representation of the territory and people of the united Methodist Church in West Virginia in the membership of the Board of Trustees of West Virginia Wesleyan College, a plan has been evolved and adopted by the Board of Trustees and also by the Conference Board of Education whereby the Board of Trustees should be organized after the following manner under the authority of the charter of the college: Quote "The number of Trustees shall be fixed by by-laws, and such by-laws may also provide for not more than three ex-officio Trustees," end of quote.

1. That the Board of Trustees be forty elective members and that the resident Bishop and the President of the College be ex-officio members.

2. That one-half of the elective Trustees be ministers and that one-half be laymen; that in the event these recommendations are adopted, at the first election of Trustees thereafter, one-fourth of the number elected shall be elected and hold office for the term of one year, one-fourth of the number elected shall be elected and hold office for the term of two years, one-fourth of the number elected shall be elected and hold office for the term of three years, and one-fourth of the number elected shall be elected and hold office for the term of four years; and that at least one woman and at least one alumnus of the Institution be among the lay persons to be elected each year.

3. That members of the Board be elected by the Annual Conference on nomination by the Conference Board of Education, provided that, until further order of the Conference, a Committee of seven, appointed

by the presiding Bishop, of which the Bishop himself, the President of the College, the President of the Board of Trustees, and the President of the Board of Education shall be members, shall recommend to the Conference Board of Education names of persons who are qualified for the office of Trustee, and who shall properly represent the Conference. The number of names submitted to the Conference Board of Education by this Committee of seven shall not necessarily be limited to the number of Trustees to be elected.

Upon the adoption of this report, it is understood that the present Board of Trustees will continue in office until the new Board of Trustees is properly nominated and elected as herein provided.

ALFRED E. BENNETT, *Secretary*.

BOARD OF EDUCATION

REPORT No. 3

Recommendation of the Board of Trustees to the Board of Education

West Virginia Wesleyan College in a number of phases of its service is showing educational and spiritual maturity. Paying special attention to a recent thorough survey made by the Commission appointed by the Board of Education of The Methodist Church, I am lifting out of that report pertinent paragraphs having to do with the measurement made by that Commission.

Report and Recommendations to the Committee on Education of the West Virginia Conference by the Commission Appointed by the Board of Education of The Methodist Church

The buildings and grounds of the College have been estimated as being worth one-half million dollars. Another half-million is needed to give the campus, the buildings and equipment for efficient work as a college of liberal arts. One of the most pressing needs is a library. Other buildings, such as a central heating plant, dormitory for freshmen, and chapel, should follow. Com. Bd. Ed., page 7.

The College has a productive endowment of approximately \$200,000 and an indebtedness of approximately \$100,000. (Indebtedness reduced \$29,000.) In recent months a semi-centennial financial campaign has been on, and it is believed that the pledges and gifts it has received will liquidate the present indebtedness. The institution needs a large addition to its capital funds and an increase in current income of \$50,000 to \$100,000. Com. Bd. Ed., page 7.

The College has had a vital place in the life of West Virginia Conference of the Methodist Episcopal Church in training ministers. During the past eighteen years, seventy-three men have entered the ministry since their graduation from West Virginia Wesleyan.

According to the faculty statement, the aim of the College is to teach youth in an institution where the influence of the administration and faculty and the atmosphere of the campus are in line with the Christian way of life.

One important step has been made since the survey by the Commission mentioned above—namely, the inspection by the North Central Association of Colleges and Secondary Schools and the subsequent conditional approval for membership. The condition is that for two consecutive years a committee appointed to advise and inspect the current work shall make an annual report for the two years.

Low in score is the condition and equipment of our physical plant. To put into effective and economical operation the five buildings on the campus and to furnish the departments, including the library, with necessary equipment and replacement of equipment would require an outlay of \$50,000.

To pay off present indebtedness in the most favorable and probable refinancing plan will require an expenditure of \$87,000.

A remarkable and encouraging fact has to do with the stability of the faculty. The salaries are in the middle 30th percentile, whereas the tenure is in about the 70th percentile. The teaching load of the faculty is in about the 20th percentile, meaning a very heavy load. The provisions for the faculty for sabbatical leave and improvement are from average to zero.

Lately a very satisfactory and substantial improvement has been made by establishing a retirement program for faculty and staff. If this good step is not to become a burden on the operating budget of the College, it must have at least \$25,000 to bridge it over the first years of operation and establish it independently of the current budget.

In connection with the salaries of staff, which I say again are in the middle 30th percentile, there will be required an added income from endowment of at least \$10,000 annually, which is the income on about \$400,000. This would bring salaries to a reasonable level of a 75th percentile in the North Central Area. This would put salaries for full-time professors at about \$2,400. They now stand at \$2,000.

It should be added that this whole matter of current support is affected in this period not only by lowering of student income through a lowering of enrollment but also by the reduction in N.Y.A., which at one time was in the neighborhood of \$7,000 and last year was \$4,300, but this year has been reduced to \$1,700.

It is important from the picture so far that the College be established upon a sound educational and Christian basis. It is evident that greater facilities are needed to make this possible. Totals in terms of money reach a figure at this point of \$762,000.

As already indicated there are a number of steps that are urgently needed in adding to the present facilities. Let us consider these now. Greatly needed is a freshmen dormitory for young men which would provide adequate housing and a favorable counseling situation as freshmen men make adjustment to college experience. This dormitory probably should be built in two units for the greatest efficiency. Each unit should house some sixty students and would cost in the neighborhood of \$100,000 each.

The North Central Association indicates and experience shows that a library building is an imperative need. A new library built conservatively to serve for a period of twenty-five years, leaving room by plan for additions, would cost from \$75,000 to \$85,000. There should be

an endowment of \$75,000 for its maintenance and for current operating expenses.

Those minimum requirements do not include a music and fine arts hall. Very close to the heart of the Church are music and the fine arts. Wesleyan is most fortunate in the fact that Mrs. Lawson L. Loar has announced her plans to build a music hall on the College campus as a memorial to the late Mr. Lawson L. Loar and his family. This will adequately and marvelously provide for the School of Music. This memorial music hall is to cost approximately \$100,000. One hundred thousand dollars endowment for upkeep and current expenses will be needed.

A chapel should stand at the center of a Christian college campus. This would cost a minimum of \$75,000 with an endowment of \$50,000 for maintenance and operation expenses.

To these items should be added a student union building and a new heating plant.

In summary, we have before us an aggregate of \$1,447,000, of which \$100,000 has recently been given by Mrs. Lawson L. Loar.

Thereupon, the resolutions relating to the program recommended by Dr. Broyles, which resolution was drafted by the special committee appointed earlier in the meeting, was on motion of Mr. Jones, seconded by Mr. Whetsell, carried unanimously. This resolution reads as follows:

RESOLVED, That the program for Wesleyan College as outlined and recommended by Dr. Broyles in his report made at this meeting be approved by the Board of Trustees of Wesleyan College and that it be referred to the Conference Board of Education of The Methodist Church with the request that the Conference Board of Education approve such program and present it to the Annual Conference to be held this year with the request that the Annual Conference also approve the program and authorize the raising of such funds as may be necessary to carry such a program into effect and that the Conference by appropriate action assume joint responsibility with the College for carrying out such program.

It is understood that this program of advance is to be forwarded by the Methodist organization in the area and in the Conference. It is expected that any outside hire will be kept to the minimum.

RESOLVED, That the Program of Advance for West Virginia Wesleyan College, unanimously offered by the Board of Trustees and recommended by the Board of Education, be adopted by this annual session of the West Virginia Conference of The Methodist Church.

That the time set apart for the completion of this program of advance be January 1, 1943, to January 1, 1944.

It is understood that this program of advance will be forwarded by and under the direction of the Conference Board of Education, the administration of the College and the Bishop of the Area.

BOARD OF EDUCATION

Recommendations

We recommend the following:

1. That the present Conference Staff set-up be continued. The Board requests Bishop Straughn to appoint Dr. M. C. Miles, Executive Secretary. A. Argyle Knight is appointed Director of Youth Work and Mrs. H. M. Wade Director of Children's Work for the Conference year 1942-43.

2. That more time be given to the open and rural communities and smaller towns and villages. In order that more effective work be done in these communities, we invite the fullest co-operation of the Conference Board of Missions and Church Extension and the Woman's Society of Christian Service. We request that a committee from each of these organizations be appointed to spend some real time and study and bring recommendations to the Annual Conference. Glenn W. Stewart, W. S. Patterson, and L. E. Shingleton are appointed to represent the Conference Board of Education on this joint committee.

3. That a real effort be put forth to carry out the recommendations concerning co-operation of West Virginia Wesleyan College and this Board. That we further recommend the adoption of and the vigorous prosecution of the proposed program of expansion for West Virginia Wesleyan College requested by the Board of Trustees.

4. That we furnish both adequate moral and financial support to our student work under the direction of the Wesley Foundation.

5. The experiment of bringing all the Conference Assemblies to Wesleyan College campus worked out to the satisfaction of all, and we recommend the same plan be followed next year.

6. That we co-operate fully with the Christian Education Advance Movement.

7. That we continue our co-operation with the State Council of Churches and that we nominate one minister and two laymen to represent our Church on the Council.

8. That inasmuch as there will be still further limits placed on transportation, it is recommended that at least one credit or non-credit study class be conducted in each local church. Pastors and District Superintendents are urged to see that this most important service is rendered. For nearly ten thousand church school officers and teachers it will be the only chance in a year for any formal training. We have a record in this office of one pastor on a circuit who issued 107 credits to his leaders this year. We just authorized another school on his charge last week. IT CAN BE DONE.

9. That the program and policy be basically as of last year, but the Program and Policy Committee, after studying it, bring back to the Board any changes or suggestions it deems feasible.

10. That very careful consideration be given to the recommendations already adopted by this Board that they may get proper endorsement and action.

BOARD OF EDUCATION

Recommendations for Directors of the Wesley Foundation

We recommend the election of Rev. Ward Harvey, Prof. Geo. Grow, Dr. F. D. Cornell, Mrs. R. J. Friont, Dr. Richard Aspinall, Mr. Paul Wilson, Mr. Foster Zeigler, Mrs. E. A. Marten and Mr. Chas. Hartley as Directors of the Wesley Foundation at West Virginia University.

BOARD OF EDUCATION

A Resolution on the Religious Education Advance

More than thirty Protestant denominations have united to inaugurate a movement to extend the educational effectiveness of the Church, to provide a more vital program of religious training for those who are now in the churches, and to extend this Christian service also to the un-churched and un-Christianized groups in our communities.

The moral and social conditions of the world make it imperative that the Protestant denominations of America redouble their efforts to carry out the will of Christ expressed in the Great Commission. If they are to be in a position to give effective help in the establishment of a lasting peace on the basis of the Golden Rule, some such united effort is undoubtedly necessary.

This is basically an educational enterprise and in order to face this task with reasonable hope for success it seems necessary that we be united, and that there be wholehearted co-operation on the part of our pastors, church school teachers and officers, and all the educational agencies of our Church.

Therefore, be it resolved by the West Virginia Conference, that we endorse the purposes and objectives of the United Christian Education Advance and call upon our people to unite in this vital program to reach those for whom we are responsible with the message of Jesus Christ.

ALFRED E. BENNETT, *Secretary*.

BOARD OF MISSIONS AND CHURCH EXTENSION

Report No. 1

Report of Conference Missionary Secretary

The Conference Missionary Secretary submits the following report to the Conference Board of Missions and Church Extension:

Missionary interest, passion, and purpose have continued throughout the year in spite of many demands made upon our people for aid due to the many and tragic needs for help brought upon them by a global war. It seems that the members of our churches are constantly aware that Christianity is the only hope and the only salvation for a world engaged in self-destruction. This concern has revealed itself in attendance at missionary gatherings as well as increased giving the last fiscal year.

The Conference Secretary during the year visited every district and assisted with the District Missionary Institutes which were held in each District as required by the *Discipline*. It is the opinion of your Secretary that the District Institutes are a definite and vital part of the promotional work of missions. Much good necessarily comes to a District when around two hundred interested people meet for inspiration and information brought them by the missionary program.

Expressions of appreciation are due to the District Superintendents and to the District Missionary Secretaries for the fine co-operation shown during the year. Ours is a task that demands the best efforts of all of us. Words of appreciation should also be given the Conference Board for its readiness to share in the program of education and promotion presented by the General Board.

During the year your Conference Missionary Secretary has:

- (1) Made thirteen major speeches as well as several talks.
- (2) Traveled 2,200 miles by car and about 1,200 miles by train.
- (3) Written 166 letters and postals.

The expenditure apart from allowance from the General Board and allowance from the Conference Board for trip to Pittsburgh totals \$94.75.

Respectfully submitted,

(Signed) L. D. ROE, *Conference Missionary Secretary*.

RECOMMENDATIONS:

The Board of Missions and Church Extension of the West Virginia Conference requests authority to build up its reserve funds, over a period of years, to a point where appropriations will not exceed the amount of income from previous conference year.

Permission is requested for superintendents to modify their askings where unforeseen situations arise.

We recommend that Rev. L. D. Roe be re-appointed by Bishop Straughn as Conference Missionary Secretary for this conference year.

The Board requests that an itemized statement by Districts and Charges of the final askings of the District Superintendents approved by the Conference be printed in the Conference Journal.

The Board recommends that District Missionary Secretaries and District Superintendents arrange to hold in churches that have been accustomed to receive Missionary Appropriations from this Board to supplement ministerial support and which will receive funds this year because of the Board's lack of funds, Missionary Institutes, seeking to bring the salary up to what it would have been had these churches received Missionary Appropriations.

HOMER W. WISEMAN, *Secretary*.

BOARD OF TEMPERANCE

OUR POSITION AS A CONFERENCE:

The Methodist Church of West Virginia holds an exceedingly strategic position in the Temperance Movement within our state. With the support and co-operation of many thousands of our members and constituency, creating the possible "balance of power" the Ministerial and Lay Members of this Conference should become a more dominant and persistent force than ever before.

We have been too quiescent and luke-warm, too complacent concerning a condition that has grown to be monstrous in the destruction and wasting of human life, and taking too much for granted of that which has been foisted upon our mountain State by an unprincipled element whose lives reek and smell with the selling out of their God-given heritage for the gains of a defiant and pernicious trade in alcoholic debauchery.

We, as a Conference, do here and now set forth our position, never to be deviated from, always to stand by the cause of a decent Citizenship as opposed to the deplorable drunken orgy of the past several years. It is, therefore, the desire of your Board of Temperance that our Conference take a determined and enthusiastic Christian position in the renewing of our battle for the American home, the childhood and youth of our nation.

THE ARMED SERVICES OF THE NATION:

We quote from the *Brewer's Digest* of May, 1941. "A great opportunity to cultivate a taste for beer in millions of men who will eventually constitute the largest beer consuming section of our population."

The alcoholic beverage traffic are willing to exploit the men of our armed forces for their selfish gain. Your Board of Temperance thinks it is the greatest affront the American Service Men ever had to take, reflecting as it does upon their self control and character. We, hereby, denounce such an utterly and dastardly program and hope that every Methodist minister and layman can be mobilized to protect and safeguard

our Service Men, while we pour out upon our political leaders our just indignation for permitting such a devastating and terrible evil to persist during a time of war.

To this end your Board of Temperance is anxious that Senate Bill No. 860 be taken up again, and passed by the Senate of the United States. We ask for the protection a nation should give its people from this curse.

INTENSIVE EDUCATION:

We desire to pledge our support for Education in Temperance in our public school system, and that we insist in the employment of those teachers and instructors in our Graded and High Schools whose habits do not include common beer drinking, wine and of hard liquors. That the suffrage of our State Methodism shall be denied those who are known to be drunken, or who in any way favor the continuance of the traffic in alcoholic beverages.

THE LETTER FROM THE COUNCIL OF BISHOPS:

The letter from the Council of Bishops should have wide circulation among West Virginia Methodists. Your Board would ask the Conference that it be made a part of this report, and that it be published in the Conference Journal. The document is important in that it has brought together those paragraphs of the *Discipline* relating to Temperance, and its place in the local church and Quarterly Conference. We submit this letter:

We believe the ministers and lay leaders, and lay members of this Conference should examine and study the following: Par. 675, Article 2. Par. 1721, Par. 1723, Par. 1724 of the 1939 *Discipline*.

PRESENT STATUS OF TEMPERANCE:

Not since the American people were betrayed by their leaders in the repeal movement and the return of the alcoholic beverage traffic as we now have it, have the "wets" been as frightened. They see the handwriting on the wall, they have been tried and found wanting and because they are so utterly unable to control this traffic, they are again definitely on the way out, and this time into that oblivion they deserve, and from which they should never be permitted to return.

CONFERENCE SUPPORT OF TEMPERANCE ORGANIZATIONS:

1. Board of Temperance.

We welcome today Bishop James Cannon, the representative of the Board of Temperance at Washington. The Board is active, virile, and insistent for the proper legislation. Our thanks are extended to the *Christian Advocate*; the recent issue carrying Temperance deserves our praise. "The official organ of the Board," the *Voice* deserves a wide circulation. Also

2. The Anti-Saloon League:

This organization is the official Temperance movement within our Conference, and is the recognized agency through which our Methodist Church presents its Temperance Program. Dr. B. E. Ewing, Superintendent of our West Virginia Anti-Saloon League, has been doing a

gigantic work among us. The Anti-Saloon League sponsored the organization of a united movement that is known as the "United Dry Forces of West Virginia." The program is one of great strength and purpose. Your Board recommends that our Conference go on record as endorsing the following as part of the West Virginia Conference Temperance program:

a. Legal recognition of beer as intoxicating liquor, so that all restrictions including local option, banning Sunday beer sales and keeping beer stores away from schools and churches, which now apply to legally intoxicating liquors, shall also apply to beer:

b. Prohibition of all forms of liquor advertising as an inexcusable means of promoting intemperance.

c. Using every means possible in co-operation with other states to secure measures that will most effectively abate the evils to our fighting forces that are fostered by this foe within our gates, and that we insist on War Prohibition as the only safe and sure means of removing this fearful menace.

d. We recommend the Methodist Members of the Board of Trustees of the Anti-Saloon League be continued for another year.

THE WOMAN'S CHRISTIAN TEMPERANCE UNION:

Your Board is of the opinion that there should be a closer co-operation between the W.S.C.S. and the W.C.T.U. within the Conference. This great temperance organization with its traditions deserves the support of every Methodist woman of the state. Why could there not be a Union within the C.S.

THE CHALLENGE OF OUR TIMES:

The various agencies of Church and State are for our help and encouragement. The very times through which we are passing furnishes one of the greatest challenges that ever came to a nation. We can do no less than accept this challenge. Your Board, therefore, would ask a more faithful emphasis in the study of temperance, would encourage again the signing of pledges, and wearing the insignia of that pledge, and to set ourselves right on the political phases of it in every campaign with our vote and support.

THEREFORE, BE IT RESOLVED:

That the ministers and membership including all Lay Leadership of The Methodist Church of the West Virginia Annual Conference go on record as not only approving in principle, but also in practice the provisions of this report.

Praying the blessing of our Heavenly Father upon us, and his guidance in the protection of our children, youth and adults, against the terrible drunkenness of our times.

S. CHARLES JONES, *Chairman*;
W. R. ESKEW, *Secretary*.

BROTHERHOOD REPORT

It was the desire of the Commission to bring our benefice up to at least \$1,000.00. But while our membership was brought to a total of 445, a number of the brethren were objecting, saying that we were getting top-heavy, and overloading many of the members.

The Commission, upon the call of the President, W. M. Castle, met in Charleston, January 17, and with the Secretary's records under careful consideration, ordered a new draft of the Constitution to be mailed to each member for a vote upon its ratification. The written vote was accordingly tabulated, 85 per cent of those responding having voted favorably. The new Constitution has been effective since February 5, and provides as follows:

All members of the Conference, and Accepted Supply Pastors are eligible for membership.

Members "on trial" pay \$1.00 per call until two years after full connection.

Others now members, and any joining before the age of 50, pay \$2.00 per call.

Those joining between 50 and 60 pay \$4.00 per call.

Joining after 60, pay \$4.00 per call, after paying all that they would have paid, had they joined at 60.

Mortuary claims are limited to \$500.00. A reserve of \$1,500.00 must be maintained, and "calls" are made when any payment reduces the reserve to less than \$1,500.00.

Change or amendment can only be made by a two-thirds vote of the Conference, upon recommendation of the Commission.

An Auxiliary was provided for which should afford a \$200.00 relief to each Preacher whose beneficiary dies. The cost of this is only \$2.00 per call (but each call provides for two Auxiliary deaths). A reserve of \$500.00 is to be established in the Auxiliary. We now have 150 Auxiliary members, and should add at least 100 at this Conference.

Your Treasurer submits the following report covering our entire three years. This report has been properly audited and found correct:

REPORT OF COMMISSION ON CONFERENCE ENTERTAINMENT

We, your Committee, submit the following report:

1. We recommend the continuation of the present system of Conference Entertainment for the next year;

2. We recommend that all invitations for the 1943 session of the Conference be made in writing before March 31, 1943, to Mr. A. W. Cox, Chairman of the Commission, Charleston, W. Va.

A. W. Cox, *Chairman*.

COMMISSION ON EVANGELISM

Your Commission is greatly encouraged by the growing interest in the evangelistic program of the church. The reports from the pastors show many fine meetings, and a large increase in membership on profession of faith.

In order to help our pastors in this great work, the General Commission on Evangelism has prepared a number of leaflets and other publications to be used in the promotion of evangelism in the local church. Many of these are free and others can be secured at a very small cost. We especially recommend the use of *The Upper Room* and *Tidings* in all of the congregations in the Conference.

We suggest the observance of Watch Night services this year in the homes of the people. Details of this special service can be found in *Tidings*. We also suggest that all churches observe the First Sunday in January as Covenant Sunday.

Your Commission has heard a report of the work of Brother Carl Looney, our Conference Evangelist. He has held fifteen meetings during the past year resulting in a substantial number of additions to the church on profession of faith. We, also, recommend that he be continued as Conference Evangelist for the coming year.

Your Commission on Evangelism brings you herewith a most important recommendation.

During the past year, after full consideration, this Conference together with the Pittsburgh and Erie Conferences took unanimous action authorizing an Activity Program having to do mainly with a recovered church membership and an effort to reach new people for Christ and the Church. The very pronounced success of this movement which cleared many church rolls, revived many memberships and added a total of nearly thirteen thousand accessions to the churches of the Pittsburgh Area, justifies a further and more intense effort in this same general direction.

At the call of Bishop Straughn the Chairman and Secretary of your Commission on Evangelism met with similar officials of the Pittsburgh and Erie Conferences at the Area headquarters in Pittsburgh to discuss this further effort. Bishop Straughn had already approached Dr. Guy Black of the denominational Commission on Evangelism concerning the possibility of organizing the Pittsburgh Area for a Home Visitation Campaign along the lines already used with great success in other Areas of the Church, and he was present on this occasion. The eight of us spent several hours going into the requirements, methods and details of such a movement in our Area. We separated with the understanding that the matter should be presented to the three Commissions with the Superintendents. This was done, the three groups without dissent approving. This resolution is the result of these meetings, and is being submitted in identical form to each of the three conferences at their coming sessions. We sincerely trust that it will be the pleasure of the West Virginia Conference to agree to this plan.

Home Visitation Evangelism is not a new movement. Many of us already have at some time been identified with such a plan. The only angle which may be new is that Dr. Black who has been identified with this idea for many years has now advanced the idea to an Area movement. The Syracuse, St. Louis, Cincinnati Areas with others have come out of their campaigns with remarkable, almost startling results. On two Sundays, the two Ohio Conferences received over twenty-eight thousand new members into their churches. It is our conviction that the time is quite at hand for us as pastors and churches to go to the people, seek them out and win them for Christ, in a most determined and sincere manner.

This Home Visitation Evangelism movement differs from our other approaches only in method. It begins with a week's training, instruction and practice, of a select group of perhaps ten from each District, to meet a like group from the other conferences, at some central place. These, then in turn, become leaders back in their own districts, training, organizing and directing in these fields. Every church will have gone through a preliminary preparation for the actual operation, with selected visitors and lists of prospective homes. The actual time interval for active promotion does not exceed three weeks, although churches are supposed to follow the effort in whatever direction may seem advisable by way of additional effort or instruction.

Your Commission, therefore, recommends: That this West Virginia Conference approve and authorize a Home Visitation Evangelistic Campaign.

That this Campaign begin with March 28, being the date for assembling and training the first group, to be followed by a campaign within the various districts.

That all of our pastors and charges be requested and expected to unite in this movement at the given time, and that all other forms of evangelistic efforts be suspended over this period, that we all do the same thing at the same time.

That a half day of the Fall District meetings be given over to this subject of evangelism with particular reference to this Home Visitation

plan; and that the Superintendents arrange this program in conjunction with the Commission on Evangelism.

That the expense of the Campaign be met with a free-will offering in our churches on a given Sunday or by payment of a designated proportional amount.

That the whole movement be given general direction from the Episcopal office in conjunction with the Annual Conference Commission.

This report is submitted in the earnest hope and prayer that through it God may be able to work through us to the winning of thousands of persons through the name of Christ Jesus our Lord.

COMMISSION ON WORLD SERVICE AND FINANCE

Supplementary Report

By interdenominational agreement Sunday, October 4, 1942, has been designated as "World Communion Sunday." In accord with this plan all Methodist Churches are requested to observe this day and, as is our custom, to also take a special offering in behalf of Overseas Relief and the Chaplain's Commission as a part of their regular giving.

In response to the call for a "Gift of Compassion" some months ago, the church responded in a beautiful way and with marked liberality. The conditions which prompted the former giving are still facing us with increased intensity.

We recommend, therefore, that this Annual Conference heartily approve the joint action of the Council of Bishops and the General Commission on World Service and Finance at their recent meeting in Chicago, wherein it was unanimously agreed that,

1. There shall be a special period of prayer and self-sacrifice throughout the Church to be known as the "Week of Dedication" February 28-March 7, and that on Sunday, March 7, there shall be taken a special free-will offering for designated Emergency causes, and that in connection with this offering no quotas, direct or indirect shall be given to the church, and

2. That the amount raised in connection with this "Week of Dedication" be equally divided between work overseas and the home field to be subdivided as follows:

OVERSEAS WORK:

- a. Division of Foreign Missions, Evacuation costs and Latin America, 60%.
- b. Methodist Commission on Overseas Relief, 40%.

FOR WORK ON THE HOME FIELD:

- a. Division of Home Missions:
 1. Industrial Defense Projects, 30%.
 2. Emergency Church Extension projects, 30%.
- b. Commission on Camp Activities, 10%.
- c. Commission on Chaplains, 10%.

d. Board of Education for Emergency needs, 20%, divided as follows:

1. Division of Educational Institutes, 10%.
2. Division of Local Church, 10%.

All of these funds to be distributed under supervision of a special committee consisting of Bishops Oxnam, Hammaker, Holt, Lowe, Purcell, Dr. James and Dr. Harrell.

3. Your Commission also urges the hearty approval by this Conference of the Council of Bishops and the General Commission on World Service and Finance for a strong advance in World Service Giving of 10% to 25% over their giving of the last fiscal year by all our churches. To meet the most imperative emergencies of the Church it will require \$1,000,000 for each of these projects, namely: the "Week of Dedication" and increase in World Service or a total of \$2,000,000.

We urge your approval.

Some of the records had been particularly well kept, some not so well, and some did not reveal the idea of permanence.

The work of the Secretaries of the Lewisburg and Moorefield District Conferences are commanded as models of neatness and form and the type of record books used insure the preservation of the records for many years to come.

REPORT OF CONFERENCE LAY LEADER

To members of the Board of Lay Activities of the West Virginia Conference, Greetings.

First, we would like to make it clear that any measure of success that has come to the program of Lay Activities of the West Virginia Conference for the year 1941-42 has been due to the fine work of the District Lay Leaders and their Associates, to the hearty co-operation of the District Superintendents, to the wise counsel of Bishop James H. Straughn, to the excellent help rendered by the Secretaries of the Board, Mr. George S. Snodgrass and Mr. Francis Wilson, and to the very much appreciated guidance and counsel of the former Conference Lay Leader, Mr. George W. Bright, and to the very necessary assistance that we have received from Dr. George L. Morelock and his Associates of the General Board. The failures and shortcomings of the program have been due to the inexperience, inability, and the lack of time on the part of the Conference Lay Leader to plan and direct the Conference program.

We planned and directed the holding of an Institute for men under the sponsorship of the Board at West Virginia Wesleyan College at Buckhannon, W. Va., on June 19, 20, and 21. The attendance was not what we would like to have had but under the circumstances we thought it was very good. From letters we have received from those attending the Institute, we are sure that in some measure we succeeded in our endeavor to give to the men of the West Virginia Conference information, encouragement and inspiration to do the work of the Church. We are deeply indebted to Dr. James W. Workman and Mr. E. Dow Bancroft for the excellent work they did in helping to conduct the Institute. Following the direction of the Board, we purchased enough copies of the booklet, "The Layman of the Annual Conference," and mailed these to the District Superintendents to give to all Lay Members of the Annual Conference.

From personal observation and from reports of the District Lay Leaders we are able to report to you that various places throughout the Conference there have been held study classes, local institutes, and sub-district meetings for men under the program of the Lay Activities. In addition to this the District Lay Leaders and their Associates have held worship services in numerous churches during the illness or absence of the pastors; have assisted the District Superintendents at group quarterly conferences, have helped to set up and plan the work in local churches, and in short, have done the work of supervising Lay Activities in their various districts as they saw it needed to be done for the local conditions. Some of the District Lay Leaders have sent out regular bulletins to the Charge Lay Leaders. Others have made contact by sending letters and cards, and still others have done almost a church to church visitation. We feel sure that all of this is laying a foundation for furthering the work of the laymen.

We are able to report that while the observation of Laymen's Sunday was by no means 100 per cent, the District Lay Leaders did make a real effort to have as many observations of this day as possible. We have not been able to secure definite data in regard to the number of churches in which laymen have held services, but we believe that more than 50 per cent of our churches have had laymen participating in their worship services sometime during the Conference year. Reports reaching us also show that a number of our churches have organized or are organizing the men of their church under the plan put out in the new booklet called "The Methodist Men." It would seem that our problem is and will be for some time, to get the laymen of the rural sections sold on our program of Lay Activities.

So far as our personal endeavor is concerned, we are pleased to submit the following report: We have visited 40 churches in the Conference, we have been in nine of the eleven districts, making addresses, assisting in organizing the men of the church, attending District Conferences, conferring with Lay Leaders of local churches, and in addition have carried on a comparatively large correspondence with the Lay Leaders in our Conference and with the General Board, mailing out notices and sending out information as opportunity and time permitted. It was, also, our privilege to represent our church in one Inter-denominational Conference for men, and to participate in three confer-

ences for churchmen and industry, and also, to attend the National Meeting of Conference Lay Leaders held at Chicago.

I feel sure that the reports at our annual Conference will show that progress has been made this year. This will be due in part to the effective leadership of our ministers but the great part will be due to our loyal faithful Methodist Laymen who have made this advance possible. We do appreciate the loyal co-operation of our Bishop, our Board, our Ministers, our People and our Lay Leaders. Through their efforts we pray that power may come to the West Virginia Conference of The Methodist Church and honor and glory to our Christ.

W. FOSS CURTIS, *Conference Lay Leader.*

DISTRICT SUPERINTENDENT'S REPORT

Dear Bishop Straughn, and members of the Annual Conference:

We your District Superintendents, who have been charged with the superintendency of the work of the church for the year now ending, beg leave to submit the following report.

We come to this session of our Annual Conference facing the darkest hour of our generation. The world is engaged in the most destructive war that mankind has ever witnessed. Our own fair land has been drawn into this conflict, and our young men are on the firing lines of the far flung battle fields of the world. Our citizens, both young and old, are enlisting in the defense of our rights; and every phase of life is feeling the cruelties and hardships of war. Much of our work built up through years of faithful missionary service around the world has suffered loss, and in some places complete collapse.

But in spite of all this we come today with reasons for rejoicing, believing that the Gospel of our Lord Jesus Christ is intended for a time like this; a light to shine in the dark places giving hope, strength and courage, and assuring us if we are faithful this Gospel will not fail. Rather, it will provide the remedy for the ills of the world, and eventually weld the races of mankind into one strong bond of Christian brotherhood, thus ending the strife that today has spread over the world.

SPIRITUAL STATE OF THE CHURCH

Revival fires have been burning throughout the Conference. Sane practical methods, such as the old fashioned revival, personal evangelism and Christian education have been used. As a result the church is slowly developing the warm heart that characterized early Methodism, and is enabling her to reach large numbers of her constituency.

ACTIVITY PROGRAM

Through the wise and skilled leadership of Bishop Straughn, our Conference participated in an Area Activity Program running from January 1 to Easter. The objects of this program were: 1. The quickening of the spiritual consciousness of the church. 2. Reaching our constituency for Christ and the church; and 3. Making our religious experience practical in Christian giving. As a result we note the following: 391 of the 462 charges participated in this program and 175

charges observed Mobilization Day which resulted in the issuance of 25,413 church Certificates to our membership, and the winning of many inactive members back to the active ranks of Christian service. During this period 5,371 new members were received into the church, of which 2,623 were received on Easter Sunday. A fine spirit of liberality was also developed which resulted in greatly increased offerings for the cause of World Service and Conference Benevolences. The total Easter offering amounted to \$53,157.00. We recognize this program as the outstanding accomplishment of the year.

CHRISTIAN EDUCATION

For the major part of this Conference year West Virginia Wesleyan College has been without a President. But under the wise and capable leadership of Dr. Wallace B. Fleming, Acting President, the school has moved steadily forward, and has rendered a valuable service to the Church and our youth. We rejoice in the fact that national recognition has come to our College by its having been placed on the accredited list of the North Central Association of Schools and Colleges, thus giving it a place of greater prominence and usefulness in the field of education.

The enrollment for last year was approximately 400. We are pleased to note that, of this number, 34 were ministerial students, preparing for future work in our Conference. While enrollment this year may be somewhat curtailed because of our national emergency, we believe that under the wise leadership of our new President, Dr. J. W. Broyles, the work of the College will progress and will continue to minister to our sons and daughters, not only in a scholastic way, but also as an agency for building Christian character and statesmanship.

Our local church schools are ministering to approximately 168,000 individuals, children, youth and adults through our regular Sunday sessions. Our intermediate camp at Camp Caesar, our Youth Assemblies, Young Adult Assembly and the Training School for Christian Workers at West Virginia Wesleyan College were all well attended and valuable service was rendered by the faculties and personnel of all these schools.

MISSIONS AND CHURCH EXTENSION

World Service and Conference Benevolences appear to be making steady gains everywhere. Our acceptances this year are larger than ever before, and it is fully expected that 100 per cent of all acceptances will be paid.

One of the very necessary organizations for the accomplishment of this end is the Local Board of Missions and Church Extension. This Board is operative only in about one-fourth of our churches at present. Without the cultivation and information that this Board alone can provide, we shall be deficient in our missionary giving. About 6 per cent of our church schools are observing the fourth Sunday as World Service Sunday with a program and offering.

One of the most hopeful signs for the reaching of our missionary goals is found in the Woman's Society of Christian Service. Through this organization rapid progress is being made in reaching the women

down to the last charge and welding them together in a vast service group for the development of the entire program of the Church. The minutes of their first annual session held in Charleston, W. Va., last April shows that there are 523 societies with 24,947 members and that through their pledges and other specials they raised \$77,941 for Missions alone. The Church as a whole needs to follow their splendid example.

MINISTERIAL SUPPORT

Some progress is being made in the matter of ministerial support. A survey of the Conference will show that we are very deficient in this all-important matter. Our ministers' salaries are entirely too low. There have been some increases in salaries for the year and a higher percentage will be paid, which is a healthy sign for the cause.

LAY ACTIVITIES

There seems to be a growing recognition of the values of Christian Stewardship and our laymen are responding liberally with their time, talents and means for the building of the Church. Stewardship is at the very heart of our Christian enterprise. We need a deeper conception of life as a trust from God, and a deeper sense of obligation which is laid upon us as Christians for the building of the Kingdom of God.

CHURCH PROPERTY

According to our last annual reports, our Conference owns property valued at \$13,270,569, with an indebtedness of \$498,771. Twelve churches and seven parsonages have been built this year at a cost of \$174,000. The sum of \$165,000 has been raised this year on debts and church improvements. Greater interest is being manifested everywhere in our church equipment.

METHODIST CENTER

We are glad to have had a small part in the Methodist Center in Pittsburgh, Pennsylvania. This project, sponsored by Bishop Straughn, has as its object the preservation of an old historic landmark of the Methodist Church as well as to provide a location for the Methodist Publishing House, the Bishop's offices and rooms for Conference and Committee meetings, both local and area.

OUR SAINTED DEAD

Our work this year, however, has not been without its note of sadness because of those who have fallen and have entered into their reward. It is with a note of sadness that we record the names of the following brethren who have died in the Lord this year.

P. E. Thornburg	H. C. Howard	H. G. Ross
R. J. Yoak	Jacob C. Shock	V. A. Nanna
D. S. Boggs	T. F. Goode	W. G. Smith
J. I. Vincent	W. B. King	J. B. Workman
Loring Howell		

Also, the following wives of our ministers, who have been faithful helpmates through the years and have shared in the work of the Kingdom, have entered into their rewards:

Mrs. A. M. Martin	Mrs. H. G. Ross	Mrs. J. W. Butler
Mrs. W. T. Lantz	Mrs. T. G. Meredith	Mrs. J. T. Golger
Mrs. J. W. Engle	Mrs. H. H. Pownall	Mrs. J. M. Carter

We look to the future believing in the great Head of the Church and in the final triumph of His Kingdom. Whatever has been accomplished this year is due to the Divine leadership, the wise council of our good and faithful Bishop and the loyal, devoted service and co-operation of our ministers and laymen. A finer spirit of loyalty and co-operation could not be desired anywhere than that which has been manifested this year throughout the Conference. It is with gratitude that we register the faithfulness of these, our colaborers, who have borne the burden and the heat of the day and have stood up against our many problems in a day like this through which we are passing.

Vast areas of our State are undergoing rapid changes in social, economic and industrial life. These changes are producing problems and opportunities for the Church that must be faced if we are properly to minister this age and meet our responsibility to our State and to the Kingdom of God.

We, therefore, recommend that a Commission on Survey be set up by this Conference, composed of at least nine members, to be appointed by the President of the Conference, whose duty it shall be to make a thorough survey of the Church in all its divisions and activities and report back to the next session of our Annual Conference.

Our united Church is young and many adjustments must yet be made, many problems solved. But we are making progress, the spirit of unity is growing and greater things are before us. We shall steadily move forward in an attempt to meet our responsibility to a needy world, to present Jesus Christ as the only means of salvation, and to build a glorious Church, knowing that "Christ also loved the Church and gave himself for it; that he might present it to himself a glorious church, not having spot or wrinkle, or any such thing; but it should be holy and without blemish."

FRANCIS ASBURY EDUCATIONAL FUND

The trustees of the Francis Asbury Educational Fund, Incorporated, have given careful attention to the affairs of the corporation during the year.

The Annual Meeting was held at Front Royal, Va., May 5, 1942, at which time all the work of the past year was reviewed and the Treasurer's report received, audited and found correct.

Also, at this meeting, the trustees nominated by the Baltimore, the Virginia and the West Virginia Annual Conferences were elected.

Then the new Board organized. The following are the officers and members for the ensuing quadrennium: President, S. K. Cockrell; Vice-President, C. E. Brandt; Secretary, Mrs. W. H. Ballengee; Treasurer, H. H. Sherman. Additional members of the Executive Committee: John H. Rosenberger. Other members of the Board: H. R. Deal, R. G. Mow-

bray, E. L. Wolf, W. Albert Wright, George D. Conrad and C. W. Fink.

During the period May 1, 1941, to April 30, 1942, a total of \$3,500 has been appropriated in loans and donations and thirty-two students have been assisted. Seven of these students are from the West Virginia Conference, and they received a total of \$675.

Respectfully submitted,

S. K. COCKRELL, *President*;
JOHN F. OWENS, *Secretary*.

HISTORICAL SOCIETY

The Trustees of the West Virginia Methodist Historical Society, appointed by the last Annual Conference, have organized by the election of Senator Harvey W. Harmer as President and J. A. Earl as Secretary and Treasurer and wish to make the following recommendations:

Owing to his ill health, William B. Mathews has declined to serve, thereby creating a vacancy.

1. We recommend the Society be incorporated and authorized to receive gifts of books, money and other kinds of property and historic materials of various kinds.

2. That the Conference appoint a Conference Historian and recommend Dean O. D. Lambert as such historian.

3. That the Conference request the Board of Trustees of the West Virginia Wesleyan College to provide a suitable fireproof room or place in which the Society may store and preserve such Methodist books, manuscripts, documents, relics and other things of historic value.

4. That each District Superintendent appoint someone in each church or charge to write a history of that particular church or charge, and mail a copy of same before the next session of the Conference to Dean O. D. Lambert, the Historian, at Buckhannon, W. Va. That he also secure for the Society a picture and biographic sketch of each and every pastor of his district and file the same with the Society during the year.

5. We suggest that when any member of the Conference knows of an available book, manuscript, document, or historic relic, he endeavor to secure the same for the use of the Society.

6. We have received from the Baltimore Conference of the Methodist Episcopal Church, South, the sum of \$40.75, and we believe that in order to do the things we should do this next year will require at least one hundred dollars additional, and we request the Conference to make provision for that sum of money for our use.

7. We have ascertained that the following churches have heretofore written a history:

Rehoboth	Keyser
Grace	Keyser
First Church	Fairmont
First Church	Charleston
First Church	Clarksburg
First Church	Huntington
First Church	Parkersburg
First Church	New Martinsville

Davis Methodist	Davis
St. Andrew's	Parkersburg
Andrews	Grafton
Frankfort	Frankfort
Methodist Temple	Fairmont
Central	Wheeling
West Liberty	
Short Creek	
Fourth Street	Wheeling

8. We wish to suggest that hereafter at each session of the Conference one hour be given the Society on the Conference program.

HARVEY W. HARMER, *President*;

J. A. EARL, *Secretary*.

PERMANENT TRUST FUND

I am herewith submitting my report as Executive Secretary of the Permanent Trust Fund of the Conference. The past year has been one of unusual activity on the part of the Secretary, due in part to the vast territory to be traveled and also because of the interests to be cared for due to the funds being merged by the terms of the Uniting Conferences.

As far as possible up to the present merger of Conference Funds has been effected. But there are still many cases where, due to legal titles involved, it is not considered wise to attempt such mergers. However, in all cases we are receiving interest and dividends from the funds invested by the former Conferences making up the present West Virginia Conference and as soon as legal requirements can be met all these funds will be placed in the permanent holdings of the West Virginia Conference.

The funds formerly held by the Western Virginia Conference and administered by the Missouri Corporation are still held by that corporation, as well as the \$9,300 allowed our Conference from the Beckett estate in Ashland, Ky. The said \$9,300 is our pro rata share of that estate.

Our share of the funds to be divided between the Conferences from the Baltimore Conference, former Methodist Church, South, are still held by that Conference. To attempt immediate transfer of these funds to the West Virginia Conference would likely cause legal entanglements that would work to delay complete merger of the funds and possibly create situations where the law courts would be called upon to make adjustments, where now such adjustments are being made as equitably, though causing some delay.

It is of special interest to our Conference to know that the Davis estate in Parkersburg is being settled as rapidly as legal requirements can be met. Already we have received a check from the estate in the sum of \$17,831, together with 200 shares of the Monongalia West Penn Public Service Stock, preferred, bearing interest at the rate of 7 per cent cumulative. We also received 50 shares of Courtaulds and 20 shares of Kennecott Coppers Corporation stock. These are also paying quarterly dividends. From this estate, when final settlement is made, will

come the family residence, furnished; approximately ten thousand more in stocks in public utilities, as well as an insurance policy and a checking account still held in the bank, making the total beyond forty thousand dollars.

The following is the list of holdings now in the hands of the Permanent Trust Fund, the proceeds of which go to the claimants of the Conference:

Former M. E. Church:

Productive Endowment	\$158,700
Non-Productive	20,000
Total	\$178,700
Net increase for the Conference year	22,700

In addition to these investments there are regular incomes from:
Residences in Fairmont.

Eighteen shares of Marion County Building & Loan.

Designated gifts regularly received from Mrs. W. S. Fulton and Mr. J. Morgan Clark, of Wheeling, through Mr. R. B. May, Treasurer of Fourth Street Church, Wheeling, totaling this year \$375.

Total from Beckett Estate	9,300
Total	\$63,140

PERMANENT TRUST FUND ASSOCIATION

Report of Executive Committee for Conference Year 1941-42

The Executive Committee of the Board of Directors of the Permanent Trust Fund Association of the West Virginia Conference of The Methodist Church held four meetings during the year. A summary of the action of the Committee is presented herein.

On October 6, 1941, the Committee directed Dr. S. B. Hart to transfer \$700 from funds in his possession to The Central Trust Company, to be used with other funds in its possession to purchase a thousand-dollar 3 per cent bond on the West Virginia University Women's Dormitory Revenue Bonds dated April 1, 1941, maturing April 1, 1960, at 104.40, to yield a net return of 2.70 per cent.

On October 21, 1941, the Committee approved the proposed trade of a lot owned by the Association on Barbour Street in Buckhannon, W. Va.,

for a lot on the same street owned by West Virginia Wesleyan College, the College to pay \$50 to the Association as the difference in value. The sale was subsequently made. The Committee also approved Dr. Hart's action in ordering certain emergency repairs to be made to one of the Association's houses situated on Marion Street in Fairmont.

On December 2, 1941, the Committee authorized the President and Secretary to sell the Association's three houses and lots situated on Marion Street in Fairmont for the sum of \$7,000. This sale was not made. The Committee also authorized the President to execute an extension agreement with the Cleveland Discount Company which provided for extension of the maturity date of the latter company's Series "H" First Mortgage Collateral Trust Bonds to January 1, 1948, 4 per cent interest to be paid during the extended period on the ten thousand dollar bonds owned by the Association.

On March 18, 1942, the Committee was notified by Dr. Hart of the receipt of a check for \$17,831.59 from the Massachusetts Mutual Life Insurance Company, representing a bequest from the estate of the late Susan M. Davis, of Parkersburg, W. Va. The Central Trust Company was then directed to invest \$17,500 in United States Savings Bonds, Series "G," 2½ per cent, maturing in twelve year. The Committee authorized the Central Trust Company to receive a 42 per cent liquidating dividend on 7½ shares of stock of the Wheeling Bridge Company, 60 per cent having been paid previously.

VII. MEMOIRS—TRIBUTES

PARRAN EUGENE THORNBURG

Parran Eugene Thornburg, son of Uriah Miller and Mary Frances Thornburg, was born on a farm near Barboursville, in Cabell County, W. Va., on June 7, 1875. He was educated in the public schools of his native county and Morris Harvey College. At the age of thirteen years he was converted and united with the Church and early felt the call to preach. Reared in a pious home, he was thoughtful and careful in life and conduct from his boyhood. In the year 1900 he was admitted to the Western Virginia Conference of the Methodist Episcopal Church, South, at its session in Ashland, Ky. Two years later, at Charleston, W. Va., he was admitted into full connection and was assigned to Centenary Church at Ashland, Ky., which was a part of the Western Virginia Conference. He served from that time until his death in various charges of the Conference, such as Grayson, Ky.; Pikeville, Ky.; Phelps Memorial, Parkersburg, W. Va.; Cattleburg, Ky.; Russell, Ky.; Fayetteville, W. Va.; Central Church, Huntington, W. Va.; Wesley Church, Parkersburg, W. Va.; and four years as Presiding Elder of the Parkersburg District. His last charge was Poca Circuit.

On December 17, 1902, he was united in marriage to Miss Madge Sands, of Greenup, Ky. To them were born two sons and a daughter, who, with their mother, survive.

Brother Thornburg was stricken with his last illness early in March of last year while serving the fourth year on the Poca Circuit, but was able to meet his various appointments most of the time until the first of July, when he became unable to continue his work. Until the meeting of the Conference at Huntington his pulpit was filled by local brethren near him.

At this meeting of the Conference he asked and received the Retired Relation. The family secured a home in Williamstown, W. Va., which was thought suitable for his needs, and moved there to reside. His condition did not improve satisfactorily, and on Thursday, October 2, he was taken to a clinic at Marietta, Ohio, for diagnosis and treatment. At first he seemed to respond to treatment and was happy and cheerful, but on Monday night, October 6, he slipped away during sleep. His work was finished, his earthly journey ended, and he will answer no more to our roll call nor mingle here with his brethren whom he so loved.

The funeral was conducted at Centenary Church, Ashland, Ky., of which he had been the pastor at three different times, by Bishop U. V. W. Darlington, assisted by Brothers Clay, Dawson, Fossett and the writer. The house was filled with brethren of the Conference, former parishioners, friends and acquaintances, who came to pay tribute to the memory of a good man, and his body was laid to rest in the Thornburg Cemetery just across the river from Barboursville and not far from his boyhood home.

Brother Thornburg was an excellent pastor. He gave of his best to his people, and I do not think he ever left a charge on which there had not been spiritual as well as material advancement during his pastorate. He was a tireless worker and diligent in both temporal and spiritual affairs. He was never unemployed and never triflingly em-

ployed. As a good shepherd he knew his flock and was known and respected by both old and young and in every community in which he lived recognized as a man of God. He dignified the Church and pulpit and strove to lift his people to greater spiritual conquests. He was a good gospel preacher, who fearlessly and compelling presented the truth, yet gentle and kind to all, seeking to bring back to Christ and the Church those who might be straying away and pointing sinners to the "Lamb of God, which taketh away the sin of the world." To the poor he was a friend, to the outcast a brother, always abounding in the work of the Lord. Simple in taste and disposition, in city station and country circuit, he was sacrificial in his service and left a moral and spiritual impress upon all with whom he came in contact. I had known him for over forty years and I never knew him to utter an unclean word or do a questionable act. His work was finished and there were no "loose ends" to be gathered up at the last. He will be greatly missed by family, brethren and friends, to whom we assure our prayers and deepest sympathy. His going left a shadow, but it also has left a gleam of glory in the gospel which he lived and preached, and the road is made easier as we push ahead.

"Servant of God, well done,
Thy glorious warfare's past;
The battle's fought, the race is won,
And thou art crowned at last."

C. A. SLAUGHTER.

ROBERT JOHNSON YOAK

Dr. Robert Johnson Yoak, son of Rev. Elias and Nancy Yoak, was born in Calhoun County, W. Va., March 4, 1880, and departed from this life to his eternal reward at Barboursville, W. Va., October 15, 1941.

He was united in marriage to Fannie Martin, June 29, 1902. To this union were born four sons: Robert J., Doyle, John Beal, and Dale, all of whom survive him; a brother, Rev. Ivy Yoak.

He was admitted into the Western Virginia Annual Conference in 1903. He was ordained a deacon in 1906 and ordained an elder in 1908. He served the following pastoral charges in the Western Virginia Conference: Madison, Prestonsburg, Williamson, Guyandotte, Roane Street, Charleston; Davis-Thomas, Sutton, Fairmont, Barboursville, and Logan, and Somerset and Cynthiana in the Kentucky Conference. He also served as teacher of religious education in Morris Harvey College at Barboursville, W. Va., for four years.

Dr. Yoak represented the Western Virginia Conference as a delegate to the General Conference for eight years; during this time he served as a member of the General Board of Missions and as a member of the General Board of Education. In both of these positions he rendered outstanding service to the Church.

He was an ardent advocate of the union of the Methodist Churches and did much to promote that important movement both in his Conference and in the Church at large, being a member of the special session of the General Conference that adopted the Plan of Union. He

loved the Methodist Church as he loved her Lord and his vision and desire for her were large as his great heart.

Dr. Yoak will be long remembered as a great gospel preacher. While his preaching was always passionately evangelistic, it was enriched from the fullness of a great scholarly mind. He was a constant student and was among the best educated men of the Church. He received his Bachelor of Arts degree from Morris Harvey College. He attended Southern Methodist University at Dallas, Tex., where he received his Master of Arts degree, also his Bachelor of Divinity degree. The degree of Doctor of Divinity was conferred on him by Morris Harvey College in recognition of his work in both pastorate and in the field of education.

He was not only a builder of the spiritual and mental life of the Church, but also a builder of her physical property. Under his leadership a parsonage was built at Williamson, the new church and parsonage at Fairmont, and the church and parsonage at Barbourville. During his last pastorate, the beautiful religious education annex, known as the Bruce McDonald Memorial, was added to the church at Logan.

Perhaps the most outstanding thing in his ministry was his constant interest in young men, especially young ministers whom he made special objects of his care. Many who remain to preach the gospel and carry on the work of the Kingdom are greatly indebted to his wise teaching, his fatherly advice, and his unexcelled Christian example. He was never too busy to admit a young man to his study or too tired to help him in any way to better living or service.

When I think of Dr. Robert Yoak, I think of a man big in body, mind and soul—a man of large vision, of unwavering faith in God, one who loved men and was loyal to his friends and charitable to his foes, one who was tireless in the performance of his duty as God gave him to see his duty. In office he was a true churchman, in the pulpit he was an ambassador of God, in the daily walks of life he was a friend to man.

The Church, in his departure, has lost a great preacher, a wise counselor, a trusted leader, and we who knew him best have lost a true friend and a brother in Christ.

Though Dr. Yoak walks and works among us no more on earth, yet he is not dead, for he knew Him whom to know aright is life eternal.

I cannot say, and will not say
That he is dead. He is just away.

With a cheery smile, and a wave of the hand,
He has wandered into an unknown land.

And left us dreaming how very fair
It needs must be since he lingers there.

I think of him still as the same, I say.
He is not dead—he is just away.

HENRY L. CLAY.

DEXTER SNOW BOGGS

Dexter Snow Boggs was born January 9, 1861, in Kanawha County, W. Va., and departed this life in Charleston, W. Va., in January, 1942, at the age of eighty-one years. He was converted and united with the Methodist Protestant Church at Elk Fork Chapel in Jackson County, March 7, 1883. He taught for five years in the public schools of West Virginia before entering the ministry. He was received into the West Virginia Conference on probation in 1886 and spent the rest of his life as a minister of the gospel. Brother Boggs spent forty-four years of his ministry in the Methodist Church, serving some of the better charges and for two years as president of the Conference. Six years of his ministry was spent in pastorates for the Christian and Presbyterian denominations. He was a fine preacher of the Word, a genial and successful pastor, and always popular in the community in which he labored.

He was married in his early ministry to Miss Sabina Laishley Buckley, who shared the experience and life of her husband's ministry until a short time before his retirement, when she quietly slipped away to await the day of glad reunion with kindred spirits.

JOSEPH ISRAEL VINCENT

Rev. Joseph I. Vincent, son of William O. and Barbara D. Vincent, was born in Doddridge County, W. Va., on February 2, 1856. He attended the public schools, and in 1882 the Quarterly Conference of the Marion Circuit licensed him to preach. He became a member of the Methodist Protestant Annual Conference at the session held in St. Marys, W. Va., in 1884.

Brother Vincent was a descendant of a long line of Methodist ministers. His great-grandfather, Edward Vincent, was a pioneer minister in the Methodist Episcopal Church; and his grandfather, Joseph Vincent, was a minister in the Methodist Protestant Church. His father, William O. Vincent, was a preacher in the Methodist Episcopal Church, and the subject of this sketch gave forty-two years of service to the former Methodist Protestant Church.

During his ministry, he served the following pastorates: Vadis, Mt. Morris, Pa.; West Morgantown, Harrison, Lewis, Upsher, Glenville and Clarksburg. In Clarksburg he organized the Temple Church and later built the Vincent Memorial Church. He also served as President of the Conference and was Financial Agent for the Board of Church Extension.

He was a man of strong personality and a preacher of more than ordinary ability. Thousands of people were brought into the Kingdom through his evangelistic zeal and efficient leadership. He loved the Church, and his interest in the salvation of men did not wane with his increasing age. He was a great promoter, a splendid financier, and truly a servant of the Christ.

After his retirement he resided at his home in Rockford, W. Va., where his death occurred on January 18, 1942, at the age of eighty-five years.

Besides his widow, Mrs. Sarah Florence Vincent, he is survived by

the following children: William Guy, Joseph Leland, James Aubrey, Benjamin Jasper, Harold Brooks, Mrs. Sarah Bennett, Mrs. Maude Randolph, and Mrs. Mabel Casey.

LORING HOWELL

Rev. Loring Howell, the subject of this brief memorial, entered the West Virginia Annual Conference with the class of 1925. Two years later he was received into full membership and gave sixteen years of service to the Church to which he was from time to time assigned. At the Conference session of 1941, due to impaired health, he asked for and received the sabbatical year. After some time in this relation, an opening in the Conference being necessitated by reason of illness of another minister, he was assigned to work on the Etam Charge, Moorefield District. Here, in January, 1942, he passed to the Great Beyond, leaving to mourn his going his widow and five children.

Brother Loring was faithful to every trust placed in his care, going to each charge to which he had been assigned with a fidelity that spoke well for the preacher and which meant success for the charge to which he had been assigned.

HARRY C. HOWARD

"Life is a startled cry
Borne on the night;
A strain of song, a sigh,
A migrant bird
In flight.

Death is a quiet gate
Upon a hill,
A requiem to fate;
Tired questing wings
Grown still."

The above lines are the lovely expression of Mrs. Gertie S. Howard, in memory of her husband, and make a fitting introduction to this memorial for a brother minister who gave forty-six years of service to Methodism in West Virginia and whose earthly journey ended February 9, 1942.

Harry Coleman Howard, son of George Hager Howard, of Kentucky, and Nancy Flinn Howard, of Jackson County, W. Va., was born at Newport, Ky., May 12, 1868. His boyhood was spent in Kentucky, but while still rather young he came to Jackson County, W. Va., where he met and married Hattie Luemma Ernest, of Ravenswood. She died a number of years ago in Wheeling while Dr. Howard was serving as District Superintendent. They had one son, Professor Hubert Coleman Howard, now in the English Department of Ohio State University. During his pastorate of First Church, Mannington, Dr. Howard married Gertie Stewart Phillips, widow of the late S. Edgar Phillips, of that city.

By natural gifts and training Dr. Howard was well qualified for the choice service which he gave as a minister. He received his collegiate training at Ohio Northern University, where he earned the degrees of Bachelor of Science and Master of Science. Later he was granted the honorary degree of Doctor of Divinity by Northwestern University. In the West Virginia Conference, Methodist Episcopal, he served the following churches: South Charleston, Guyandotte, Kingwood, Grafton (Andrews), First Church, Fairmont; which building was constructed during his pastorate; First Church, Buckhannon; Thomson, Wheeling; First Church, Parkersburg; Superintendent Wheeling District, First Church, Mannington; and First Church, Weston. He was twice honored by representing his Conference as a delegate to the General Conference.

Perhaps Harry Howard will be remembered longest as the preacher of the first Mother's Day sermon while pastor of Andrews Church, Grafton. This sermon was delivered by request of Miss Anna Jarvis, whose mother was a member of that church. The following year, on the second Sunday in May, Dr. Howard, together with the church school superintendent, Mr. Loar, planned a service for all mothers, using the red carnation for living mothers and the white for those who had gone. Out of this grew the national observance of Mother's Day.

As a preacher Dr. Howard was mentally alert and maintained an intellectual respectability that was a credit to himself as well as to the Methodist ministry. He read widely but also carefully. His sermons had a freshness of approach as well as a depth of thought. He was a good pastor, always interested in the problems of his people and always trying to help.

The last rites for Dr. Howard were held in the First Methodist Church of Weston at eleven o'clock, Thursday, February 12, with the pastor, Dr. Kirk W. Robins, in charge, assisted by A. Coleman Brown, District Superintendent, J. B. Workman, L. S. Grose, Roy McCuskey and D. A. Gilmore, pastor of the Weston Presbyterian Church. The service was carried out as Brother Howard had planned it sometime during his illness. His body was laid to rest in the family plot at Ravenswood, W. Va.

JACOB C. SHOCK

Once more the ranks of the brotherhood of ministers has been broken by the departure of Rev. Jacob C. Shock on February 22, 1942, from the scene of his earthly residence. Now only five octogenarian members of the former West Virginia Conference of the Methodist Protestant Church are left to keenly feel the loss of one of their number.

Jacob C. Shock's father and mother were living on Steer Creek in what is now Gilmer County, W. Va., when he was born on November 27, 1857.

When relieved of the burden of age and infirmity to be reunited with loved ones, he was making his home with his daughter, Mrs. H. B. Wellen, of Falls Mill.

September 9, 1886, he was united in marriage to Miss Emma Veith, who died April 1, 1927.

He taught school in Roane and Braxton Counties for ten years. In 1892 the Quarterly Conference of the Kanawha Circuit granted him license to preach. After serving Blue Rock and Hackers Valley Circuits as supply pastor, he entered the itineracy of the above Conference in 1901 and was ordained to the Christian ministry in 1904.

He served Leroy, Doddridge, Kanawha and Pullman Circuits. He was pastor of the last named charge in 1904 and 1905 and again for five years, beginning in 1911. He was granted the superannuated relation in 1922.

He was a man and minister of good report among the people he served as well as his brethren in the gospel ministry. He was gentle, kindly and unassuming among his associates, securing the respect and esteem of others more by his simplicity and nobility of character than by any arts practiced or any words spoken in his own praise. He was faithful in the performance of his obligations to the Church and devoted to the work of his high calling.

The charges he served were left in better condition than he found them. Whatever the tendency to reckon the value of a man's services by the compensation received, such an estimate is entirely wrong in his case, but it may be said that he "rests from his labors and that his works so follow him."

"Life's race well run,
Life's work well done,
Life's crown well won,
Now comes rest."

W. H. HART.

THOMAS FLETCHER GOODE

Brother Goode was a son of the Rev. John Wesley Thomas Goode and was born in Tennessee, where his father was pastor of a Methodist Protestant Church. He was converted in his youth and united with his father's Church. The family came to West Virginia after the close of the War between the States and the Rev. Mr. Goode was assigned to the old Palastine Circuit, of which Market Street Church, Fairmont, was one of the appointments. Tommy Goode taught in the public schools for a number of years, and in 1893 was admitted to probationary membership in the West Virginia Conference of the former Methodist Protestant Church. In 1897 he was ordained an elder in the Church. He served a number of charges in West Virginia; among them were: Blue Rock, Doddridge, Reedsville, Pocahontas. In all he served twenty-four years in the active pastorate. He died at Fairmont, W. Va., in 1942 and was buried among his family at Purntytown.

Brother Goode not only had a "good name," but he was a good man and effective and useful as a minister of the gospel. He was an average preacher and successful soul winner. He was friendly, sociable, and highly respected by his people for his genuine piety and personal dignity.

WARREN G. SMITH

On March 30, 1942, Warren G. Smith, ninety years of age, passed from his home in Buckhannon, W. Va., to his home in heaven. He was

born January 13, 1852, in Tyler County, W. Va., the son of Isaac R. and Climena Sayre Smith.

In 1880 he was married to Sarah J. Riggs, who passed to her reward January 28, 1930. Surviving relatives are four children, four grandchildren and two great-grandchildren. The children are: Warren Lee, of St. Louis, Mo.; Lasa M. and Isa B., Buckhannon, W. Va.; and Mrs. J. R. McMillan, Columbiana, Ala.

Brother Smith received his education in the public schools of West Virginia and at the State Normal School at Fairmont, W. Va.

He joined the West Virginia Annual Conference in 1886 and did not miss a roll call of the Conference for fifty-four years.

During his ministry he served a number of important charges, such as West Union, Hundred, Pennsboro, and Gassaway. For a number of years he was a member of the Board of Examiners in the Conference and for several years was Financial Secretary of the West Virginia Conference Seminary, now West Virginia Wesleyan College. He never shirked responsibility and always performed faithfully any task committed to him.

Funeral services, April 1, were in charge of Rev. Ross Linger, assisted by J. B. Workman, L. S. Grose and James W. Engle.

WILLIAM BARRETT KING

William Barrett King was born on Stillwell Creek, near Murphytown, Wood County, W. Va., 1861, and died in the St. Joseph Hospital, Parkersburg, W. Va., April 13, 1942. He was educated in the Wood County schools and was a graduate of Fairmont State Normal School. He received his Doctor of Divinity degree at Asbury College, Wilmore, Ky. He taught school in Wood County for several years and, before entering the Methodist ministry, studied law for a time under Judge Lewis N. Tavenner.

In the fall of 1892 in a class of about twenty-eight, the writer being one of that number, Dr. King entered the West Virginia Conference and soon rose to prominence in the Conference. Among the churches he served were: Grafton, Elkins, Moundsville, St. Andrews, Parkersburg, Clarksburg, Huntington, Mannington Church, which he built, and Central Church, Charleston. From there he was transferred to Parkersburg District as Superintendent and served six years. During his superintendency he was elected a delegate to the General Conference at Atlantic City. At the end of his term in the district he served one year at McMechen as pastor, after which he took the retired relation. He then served two years as a supply pastor at Beechwood Heights, Parkersburg. He also served Urichsville, Martins Ferry and Cleveland, all in the East Ohio Conference. During his six years at Charleston he served as Chaplain of the State Senate and during World War No. 1 he was an Army Chaplain at the Spartanburg, S. C., Camp.

Dr. King was easily, as indicated by the churches he served, one of the most prominent and brilliant men in the West Virginia Conference, being surpassed by few if any.

In 1887 Dr. King married Miss Mary A. Porter, daughter of Capt. Owen S. Porter, of Daytona Beach, Fla. She, with the following chil-

dren, survive: Mrs. Ora Muzurie, C. Dale King, Foss P. King and William B. King, Jr.

To know Dr. King intimately, as was the writer's privilege, was to esteem him very highly.

Funeral services were held in the St. Andrews Church, Parkersburg, W. Va., with the following clergymen in charge: The District Superintendent, Rev. Homer E. Wark, Rev. B. W. John, Rev. D. C. Pickens, and Rev. H. W. Blackburn. He was buried in the Odd Fellows Cemetery at Parkersburg, W. Va.

H. K. Riffe.

HENRY GEARHEART ROSS

Henry Gearheart Ross was born on February 15, 1855, at Enterprise, Ind. He was graduated from the Moore's Hill College, from which he also received his Master of Science degree. He joined the Southeastern Indiana Conference, his first appointment being at Houston, Ind.

In 1891 he transferred to the Northwestern Indiana Conference, where he served pastorates until 1902, when he transferred to the Oklahoma Conference. In 1908 he went to the Virginia Conference, transferring finally to the West Virginia Conference, serving the following pastorates: Waynesboro, Claremont, Summersville, Fayetteville, Kayford, Raymond City and Kanawha. He took the retired relation in 1921, taking up his residence at South Charleston, W. Va., where he passed to his reward May 8, 1942. He is survived by two daughters, Mrs. George A. Waldo and Mrs. J. Paul Smith, of South Charleston, Mrs. Ross having predeceased him in February of this year.

As a preacher he was deeply thoughtful and convincing, utterly trusted as a pastor, a brotherly man and a loyal friend. In his earlier life he greatly enjoyed the close friendship of Dr. J. P. D. John, the President of DePauw University, and the friendship of Lew Wallace, the author.

The funeral service was at the home in South Charleston, in charge of Rev. Arthur Lazenby, long-time friend and former pastor, assisted by Rev. C. C. Yates, present pastor, and Rev. F. M. Ryburn, Presbyterian minister and close friend and neighbor.

Interment was in the Cunningham Memorial Park.

V. A. NANNA

This well-known minister and evangelist of the West Virginia Conference passed out of this life June 22, 1942, after an illness that extended beyond a year. He was born in Athens County, Ohio, August 12, 1859, the son of Hezekiah and Mary Brandenburgh Nanna, being one of a large family of children.

In 1881 he was united in marriage to Miss Addie Sheldon, who preceded him in death by two years. Brother Nanna united with the West Virginia Conference in 1891, and after fourteen years in the pastorate was appointed Conference Evangelist, and continued to be appointed to that position during the remaining years of his active ministry, giving in all thirty-nine years of effective service. Brother Nanna was widely

known over the State of West Virginia, being much in demand in leading revival campaigns as well as in the prohibition movements.

Surviving are one son, Emmett Nanna, of Washington, D. C., and one daughter, Mrs. Mabel Phillips, of Charleston, W. Va. Funeral services were in charge of District Superintendent M. S. Collins of the Wheeling District, assisted by J. H. Carson, W. W. Beckley and A. H. Elsey of the Nazarene Church. Brother ministers acted as pallbearers. Burial was in the Greenlawn Cemetery, Moundsville, W. Va.

JEFFERSON BOWEN WORKMAN

Jefferson Bowen, the son of Alderson and Rebecca (McClure) Workman, was born January 28, 1868, in Wayne County, W. Va., and died suddenly at his home in Buckhannon on July 30, 1942. He was educated in the public schools of his native county and in Oakview Academy, a splendid private school. For seven years he taught in the public schools of West Virginia.

Brought up in a devout Methodist home (both father and grandfather were local preachers), Dr. Workman was converted when a young man and heard the call to the ministry. He was licensed to preach in August, 1892, and in September, 1893, entered the West Virginia Conference of the Methodist Episcopal Church.

He was first appointed to the Wayne Charge, his home circuit, which he served with marked efficiency for five years or until the expiration of the time limit. His next charges were Acme and Brandonville, in each serving one year. He served the Davis Charge four years and then had a remarkable pastorate of five years at Oakland, Md., where the church in all its departments felt his skillful administration. An equally successful pastorate of five years was spent in Wesley Church, Wheeling, and then he was appointed to Diamond Street, Fairmont. After two years, in the midst of a fruitful pastorate, in the fall of 1916, he was appointed Superintendent of the Buckhannon District, which he served eight years with phenomenal success.

In four financial campaigns which he led, two for Wesleyan College, one each for the Permanent Trust Fund and for the Centenary, the district pledged more than a half-million dollars, besides almost doubling the ministerial support and more than doubling the regular benevolent collections.

Due to time limit, in 1924 he was appointed to Mannington and then to Central Church, Charleston, in each charge serving six years. On account of Mrs. Workman's health, after two years at Edgewood Park, Wheeling, in 1938 he was assigned to Mannington for a second pastorate, from which he retired in 1941.

Dr. Workman was Secretary of the Conference for four years, a delegate to the General Conference in 1912, twice elected reserve delegate, a trustee of West Virginia Wesleyan College for twenty years, for many years a member of the Board of Ministerial Training, and for ten years Chairman of the Permanent Trust Fund. In 1918 West Virginia Wesleyan College conferred on him the honorary degree of Doctor of Divinity.

The record speaks for itself. A good gospel preacher, with a glo-

rious speaking voice, a sympathetic pastor, wise counselor and astute administrator, a skillful debater on the Conference floor, who always advanced the business in hand, a lover of youth, with a delightful sense of humor and human to the finger tips, a great endowment for the Christian ministry, and greatly used.

In 1889 Dr. Workman married Grace Wellman, daughter of the Circuit Clerk of Wayne County. Mrs. Workman's character and Christian graces fitted her for the parsonage home as Dr. Workman's qualities fitted him for the ministry. Mrs. Workman, though in impaired health, survives, as do five of the eight children born in the home. Paul, the only son, is teacher and coach in the Clendenin High School; Irma, Mrs. Thomas E. Holderby, Huntington, W. Va.; Nellie, Mrs. Grover C. Stemple, of Oakland, Md.; Margaret, Mrs. Frank E. Campbell, Wierton; and Inez, Mrs. William C. Manser, of Buckhannon. Three daughters are deceased: Irene died at the age of four, Rebecca at eighteen and Elizabeth at twenty-two.

Impressive funeral services were held in the First Church, Buckhannon, W. Va., with Rev. H. E. Kelso, District Superintendent, in charge, assisted by Drs. W. B. Fleming, J. W. Engle, and C. G. Stater. Interment was in the Heavener Cemetery, Buckhannon, W. Va.

WIVES AND WIDOWS

Mrs. A. M. Martin

Mrs. A. M. Martin (Fannie Elizabeth Holcomb) was born at Blue Sulphur Springs in Greenbrier County. She was united in marriage to Rev. A. M. Martin on December 25, 1892. For practically one-half century she was a wife of the personage and as such was faithful indeed to the tasks that devolve upon the wife of the preacher.

Mrs. Martin had some very endearing qualities, and these qualities made for success in the life of her husband. She was a quiet, unassuming woman, soft-spoken and gentle. She always impressed the writer as one who had the real Christian spirit. She was a good mother. The marks left on her household indicate that the mother was a good woman. She was the kind of a wife that went devotedly and uncomplainingly to whatever appointment the Conference saw fit to give.

In the long months of the suffering of Dr. Martin she ministered patiently at his side. Her life was completely wrapped up in her home. It was not strange that when he passed away she, although seemingly in good health, passed away in a short three weeks.

The writer, assisted by Rev. A. R. Young and Rev. A. P. Keyser, was in charge of the services in the Emmanuel Church, Huntington. She rests with her faithful life-partner in the beautiful Woodmere Cemetery in Huntington, W. Va.

J. B. F. YOAK, JR.

Mrs. Laura Allen Lantz

Laura Allen Lantz was born January 3, 1881, near Parsons, Tucker County, W. Va., the daughter of Elijah and Valumna Markley Allen; died January 3, 1942, at Elizabeth, W. Va.

She was united in marriage to William Troy Lantz, March 15, 1900. In June, 1906, Mr. Lantz was licensed to preach and was admitted on trial into the Western Virginia Conference the same year. For more than thirty-six years they lived together in a Methodist parsonage.

At times they were face to face with real problems, but Mrs. Lantz never once complained; but when days were dark and gloomy, she kept her face turned to heaven, with an unshaken faith in the God she trusted and loved and served.

She was the mother of eight children: Herman P., Herbert C., William George, Hattie B. Arthurs, Blanche Flowers, Hetty L. Bays, Olive E. Smith, and Virginia Lohr, all of whom are living.

Mrs. Lantz, with her husband, spent the most of their ministerial life in the counties of Fayette, Kanawha, Boone, Raleigh, Cabell, Marian, Wood, Wirt, and three years in Pennsylvania. She made many true friends and was loved by all who knew her. "Only her husband knew her real goodness."

Her funeral service was conducted in the Elizabeth Church at Elizabeth by Rev. George W. Twynham, assisted by Dr. Homer E. Wark, Rev. F. E. Lambert and Rev. W. A. Hopson. Interment was in the K. of P. Cemetery in Elizabeth, W. Va.

Mary Jones Ross

Mary Jones Ross was born in Toronto, Canada, on July 22, 1860, and came to the States with her parents while still a little child. The family settled at Lawrenceburg, Ind., where for a number of years she taught in the public schools. She held teacher's life certificates in Oklahoma, Indiana, Virginia, and West Virginia, receiving her degree from the State University at Morgantown, W. Va.

She was married to the Rev. H. G. Ross in 1880. This companionship lasted over sixty-one years. When her preacher husband took the retired relation in 1921 they settled in South Charleston, W. Va., where, after four years of suffering, she passed away on February 24, 1942, leaving behind her two daughters, Mrs. George A. Waldo and Mrs. J. Paul Smith, and her husband, Rev. H. G. Ross.

She was active in community affairs wherever she went, not only filling effectively the position of helpmate and queen of the parsonage, but entering wholeheartedly into the social and cultural interests of the community. She was instrumental in organizing the first Parent-Teacher Association in South Charleston and also helped in forming the Woman's Club.

Funeral service was held at the Ross home on February 26, 1942, in charge of Rev. Arthur Lazenby, a former pastor, assisted by Rev. C. C. Yates, present pastor, and Rev. F. M. Ryburn, minister of the Presbyterian Church and close neighbor.

Interment was in the Cunningham Memorial Park.

Mrs. J. W. Engle

Mrs. Dora Bell McCray Engle, wife of Dr. J. W. Engle, passed to her heavenly reward at her home in Buckhannon on February 10, 1942,

after a prolonged illness of one year. She was the daughter of Evan D. and Martha J. Bartlett McCray and was born at Rock Cave, Upshur County, September 10, 1870. She was educated in private, public and normal schools, and started teaching in Webster County at the age of sixteen.

She was married to Dr. J. W. Engle on October 15, 1895, and from that time worked side by side in religious endeavor with her husband in his duties as pastor and District Superintendent.

She was active until the last in church work, in the Woman's Club, the W.C.T.U., and the College Club. Her church work dates back to the age of twelve. She became a Sunday school teacher at the age of thirteen.

She is survived by her husband, one son, J. Paul Engle, of Charleston, W. Va.; two brothers and two sisters. Funeral services were conducted at the Davis Funeral Home in Clarksburg, W. Va., by her pastor, Rev. Ross Linger, and interment was made in the Elkview Mausoleum in Clarksburg, W. Va.

In all her suffering Sister Engle faced life and death with Christian fortitude, patience and faith. Her going was as she would have had it under the circumstance of being confined to her bed only for a short time. One of her ambitions was to be of as little care to others as possible.

Mrs. T. A. Meredith

Mrs. Cora Blanche Snodgrass Meredith, wife of Rev. T. G. Meredith, was born in Ritchie County, January 28, 1865, and died May 14, 1942. She is survived by her husband; one son, Jean C. Meredith, of Clarksburg; two brothers, Charles Snodgrass, of Jane Lew, and M. Hall Snodgrass, of Parkersburg; and one sister, Vernilla Williams, of Grantsville, W. Va.

She was converted and joined the Methodist Church in Harrisville in 1883. On June 9, 1892, she was married to Brother Meredith, who during the summer of that same year was licensed to preach. Had Mrs. Meredith lived twenty-six days longer, they would have celebrated their golden wedding anniversary. But such was not possible. After a brief illness her death in the Fairmont General Hospital came as a complete shock to her family and many friends. Funeral services were conducted in the Highland Avenue Methodist Church in Fairmont by the pastor of the Church, Rev. Ward Harvey, assisted by Dr. H. W. Ware, District Superintendent. Interment was made in the Maple Grove Cemetery.

Mrs. Meredith was a faithful helpmate to Brother Meredith during the fifty years of their ministry together and was loved and respected by everyone who knew her.

Mrs. H. H. Pownall

Mrs. Ida Lee Patterson Pownall was born at Romney, W. Va., October 2, 1865. She died on July 4, 1942, at Beckley, W. Va., and was buried on Monday, July 6, in the Sunset Memorial Park in Beckley. Funeral service was conducted in the Methodist Temple, Beckley, W. Va., by J. M. Helm, Rowland Aspinall and A. E. O'Dell.

Mrs. Pownall was married to Rev. H. H. Pownall, September 15, 1891. She served for more than forty years as the wife of a Methodist preacher. She was always modest, gentle and retiring, and evermore her life was full of devotion to her husband's work. Her home life approached the ideal—she, the loving, understanding companion and mother, the true queen of the home.

Her husband, Rev. H. H. Pownall, retired minister of the West Virginia Conference, and four children survive her: Virgil P., Lt. Col. United States Army; Mrs. Herbert Stansbury, Beckley; Miss Eva Pownall, Chicago; and Emerson Pownall, Charleston, W. Va.

The celebration of their golden wedding anniversary on September 15, 1941, in Beckley, with all the family present and a host of friends, was a crowning event in the family and a constant reminder of the happy reunion in that "better land." J. MURRELL HELM.

Mrs. J. W. Butler

Although she was the wife of a Methodist minister for a short time before his retirement from the effective relation in the Conference, Mrs. Butler was in high esteem as such a minister's wife, and then as the widow of this man of God she knew the loneliness of widowhood.

Surrounded by kind friends during the closing years of her life, she could but look forward to the more glorious life beyond, and the happy realization of those experiences she had heard her husband preach to others. Thus in the middle of the past Conference "she was not, for God had taken her."

Mrs. J. T. Folger

The subject of this brief sketch was for ten years with her husband in the effective ministry of the Church to which they were delighted to give this service. A widow since the year 1907, she passed through thirty-five years without the companionship of him whose holy purposes in life she had hoped to share through many years.

Denied the life in the parsonage which was begun early in life, she nevertheless bowed in submission to the Will that does not make mistakes. As the shadows lengthened and eternity began to unfold, she met this experience as do those whose confidence has been placed in the hands of the Saviour.

Mrs. J. M. Carter

Mrs. Blanche Carr Carter, wife of Dr. James Meredith Carter, who was a member of the West Virginia Conference for forty-six years, passed to her reward on August 28, 1942. She was the daughter of Dr. and Mrs. Joseph L. Carr, and mother of a daughter, Emile, who became the wife of Attorney George C. Somerville, of Point Pleasant. These all preceded her in death by several years.

Mrs. Carter remained a loyal and active member of her Church until her death. Although she was confined to her home about three years, she did much good for her community and church through her good counsel and encouraging words to her many friends who delighted to visit her.

The funeral service was conducted by her pastor in Point Pleasant before her body was removed to Clarksburg for interment.

2. The Secretary and the Statistician shall be nominated annually from the floor of the Conference. Each shall have the privilege of nominating his assistants. The Secretary (or an assistant) of the preceding session of the Conference shall serve in the next session until his successor is elected. The incumbent Secretary shall also serve as the Secretary of the Conference when such officer is needed between sessions.

3. All debate on the floor of the Conference shall follow the principle of alternate debate, when asked by either side. But, when no speaker on the side opposed to the last speaker heard is ready, the Bishop may recognize one who desires to speak on the same side as the last prior speaker.

4. The Bishop shall name any special committees whose membership shall not have been provided for otherwise.

5. The Conference Treasurer shall be elected upon nomination of the Commission on World Service and Finance, which shall execute a contract with him, after the same shall have been approved by the Conference. The Treasurer may be an individual or a bank. No contract entered into shall extend beyond the session following a General Conference.

6. All persons who hold or disburse Conference funds shall be bonded in such amounts as may be deemed wise by the Commission on World Service and Finance. These bonds shall be in good and solvent companies, and the Conference Secretary shall be the custodian of the same.

7. The salary and expenses of the District Superintendents shall be determined by the Conference upon recommendation from the Commission on World Service and Finance. Allowance shall also be made for house rent where there is no district parsonage, and for its upkeep and insurance where there is one. These amounts shall be the same for the several districts for items of the same category. The Commission is authorized to encourage the purchase or erection of district parsonages where needed and to direct the rental allowance to the liquidation of any indebtedness against them. When such indebtedness has been incurred with the approval of the Executive Committee of the Commission, the annual rent allowance shall not be reduced until the debt has been liquidated.

8. All authorizations for the raising of money throughout the Conference may be voted upon by the body only after the matter has been considered by the Commission on World Service and Finance and it makes a recommendation thereon, or refuses so to do.

9. The Conference Secretary shall be editor of the annual minutes, and shall be a member of the Committee of Publications. This shall be a Quadrennial Committee beginning in General Conference years. It shall determine the number of the copies of the minutes to be printed,

10. No District Superintendent shall be Secretary of the Conference or hold a voting membership on any Quadrennial Board or Commission or Committee whose deliberations would call for his presence during Conference sessions.

11. No beneficiary of any appropriation shall have a vote upon the same in any Board, Commission or Committee, save where this rule may be in conflict with General Conference action.

12. A retired minister, serving as a supply pastor or in any other service for which he receives a salary, shall not have his annuity reduced by reason of receiving such compensation. But no sustentation money or Conference or General Board of Missions funds shall be paid to him.

13. The apportionments for the Benevolences and for General Administration, to be raised in a district, shall be distributed to charges therein by the incumbent District Superintendent. The bases of such distribution shall be the same as those used by the General and Conference Commissions on World Service for distribution of these funds. But when equity requires, or there is good prospect of securing increased collections, at his discretion, he may vary the amount asked from the exact calculations. However, in no case shall the distribution to charges total less than the amount apportioned to the district. All appropriations shall be in even dollars, less than fifty cents to be ignored and fifty cents or more counting as an additional dollar.
